

# Busy Bee Times

Aug 28, 2025

## **ASK YOUR CHILD ABOUT:**

What makes us different from each other?

What is your favorite story?

What did we do with Playdough?

What is your favorite color?

We had fun painting our bees yellow. We hung them outside on the wall. I love how each one turned out different just like each child is special.

Here are some upcoming activities. We have been playing with Playdough and learning how to cut it with scissors.

The children have been doing a great job with their names. We are doing a lot of activities with name recognition. This is a skill they will need to be successful in Kindergarten.

The snack bucket will follow the letter of the week which is "A". Apples, animal crackers, applesauce are all good items to bring in the bucket. We will need snacks for 13 kids.

## **ASK YOUR CHILD ABOUT:**

Why are they special?

Which color of eyes did we have the most of?

What did we play?

What makes them different from each other?

It was fun to learn why each child is special. We discussed the things we like and don't like. Also, we discussed where we live. The children did a wonderful job drawing themselves. We hung their self-portraits outside the classroom.

The children have been doing a great job with their names. I have been transitioning them to write their names in lower cases. This is something that they will be expected to do for Kindergarten. So, I am sending home a practice sheet of their names for you to work on.

I hope you have a great weekend.
