## **ASK YOUR CHILD ABOUT:**

What is another name for Fall?

What did we go on a walk?

What did we paint?

What are the colors of Fall?

What did we toss into the parachute?

We had a fun time going on a leaf walk last week. The children were so excited to go outside and find all sorts of leaves. We found big ones, little ones, and all sorts of shapes and colors. When we got back to the classroom we made leaf people out of the leaves we found.

There will be a sign up sheet outside the classroom for the Indian Feast. Parents are welcome to attend.

Picture Day is next Friday!!!

Have a great weekend!

What did we toss into the parachute?

This week I wanted to spend extra time on Fall. The kids are enjoying the leaves in the parachute, painting with Fall colors, and much more. We are working on recognizing their name and tracing it on paper and matching the Fall stickers to the right place. These are wonderful fine motor skills.

Reminder about conferences. I am excited to share with you the children's progress at school. They are having lots of fun learning.

Please practice counting to 20.

Picture Day is next Thursday.

Have a great weekend!
