ASK YOUR CHILD ABOUT:

What is something you are thankful for?
What kind of bird did we make?
What do you call a male turkey?
Who was at the first Thanksgiving?
What do turkeys eat?

Poor Mr. Turkey does not want to become lunch. We talked about how a turkey is a bird. What makes him a bird is that he has feathers and lays eggs. Turkeys have become a tradition at Thanksgiving meals, but don't forget the most important part of the meal, pumpkin pie!!

Thanksgiving is such a glad time of the year. Friends and family come together to share food and fellowship. Next week we will have our own celebration on Tues the 25th. We will have a big Indian feast. If you would like to sign-up to help or bring food in, let me know. Please make sure the children eat a light meal before coming to school that day.

Here are some upcoming dates to put on your calendar:

- *Parent Conferences Nov. 17th
- *Thanksgiving Feast Nov 25th
- *Christmas Program- Dec 17th
