## **ASK YOUR CHILD ABOUT:**

What was your favorite story about winter?

What did we build?

What did we play with in the classroom?

What did we make?

What was the funniest learning center?

The children were very excited last week to be back at school. Even though we didn't go outside and play in the snow, we sure had fun indoors making snow globes, finding penguins and snow pictures this week. There was an amazing activity we did with the snow. We brought some inside. The children were so surprised that snow is made from water. We also enjoyed sharing about our favorite thing to do in the snow.

The children are so excited for the Winter Program to come. We have been busy practicing for the Program on Wednesday the 14<sup>th</sup>. Plan to drop off your child at 6:20 pm in the Preschool Room (not the gym). **\*Make sure they wear their Snowman sweat shirt.\***

The New Year is upon us. The children were very excited to be back at school. Even if we can't go outside in the snow, we sure had fun indoors making pretend snow, snowmen, and snow pictures. We also enjoyed a snowball fight. The children love the thought of snow!!
