ASK YOUR CHILD ABOUT:

What was your favorite story about winter?

What did we make?

What was the funniest learning center?

The children were very excited last week to be back at school. Even though we didn't go outside and play in the snow, we sure had fun indoors making snowflakes, finding penguins and snow pictures this week. There was an amazing activity we did with the snow. We made ice and melted snow. The children were so surprised that ice and snow are made from water. We also enjoyed sharing our songs with you on Wednesday.

For the PJ Party at the end of the month: Pajamas, slippers, and stuffed animals.

Here are some upcoming dates to put on your calendar:

*PJ Party 29th

*Valentine Party Feb 12th
