ASK YOUR CHILD ABOUT:

What colors make pink?

What shape did we cut out?

What is your favorite thing about preschool?

Our Valentine's Day party was a huge success. The children really enjoyed putting their cards in the Valentine's boxes. They were very proud of the card boxes they had made at home. We loved the cards and all the fun activities.

We have been practicing our cutting. The children are doing a great job!!!

***Just to let you know, we are disinfecting the room between classes to keep the sickness away from your children. ***

Here are some upcoming dates to put on your calendar:

***Grandparents Day- Mar 27th**

ASK YOUR CHILD ABOUT:

- What colors make pink?
- What shape did we cut out?
- Which heart exercise was your favorite?
- What was the most popular color for candy hearts?
- What is something special they could do for their friends?

Our Valentine's Day party was a huge success. The children really enjoyed passing out their Valentine cards. They were very proud of the card boxes they had made at home. We played pass the heart around and lots of other fun activities.

For science this week we discovered how to make pink. We practiced by making a white heart, a red heart, and a pink heart. The children thought that it was magic.

Just to let you know, we are disinfecting the room between classes to keep the sickness away from your children.

Here are some upcoming dates to put on your calendar:

- *No School- Feb 16th
- *Happy Birthday Jaxon!!
- *Grandparents Day- Mar 27th
- *Spring Break-Mar 13th – 22nd
